Mrs. Don Gray of Newburg In Regional Homemaker Contest

By CAROLYN OWENS, County HD Agent

Mrs. Don Gray of Newburg community has been selected to represent Comanche County in the regional contest of the Texas Conservation Homemaker of the Year program.

This awards program is sponsored by the Agricultural Extension Service of Texas A. & M. College in cooperation with a Fort Worth newspaper and its 17th annual conservation awards program, "Save the Soil and Save Texas."

Mrs. Gray's entry consists of a story telling of her conservation practices in clothing, foods, home management, and home-stead improvement and photographs illustrating the practices.

The homemaker is the wife of Don Gray, Newburg rancher. The Grays have two children, Carolyn 7, and Paul 5. Mrs. Gray is a busy wife and mother but still has time for civic duties. At present she is president of the Home Demonstration Club at Newburg.

State Conservation Homemaker of the Year will be selected by March 15 from the first place regional winners. Winner will receive a silver tray, platter or pitcher inscribed and also receive an invitation to the champion's dinner in Fort Worth.

Mrs. Tom Joyce Cunningham, District Home Demonstration Agent from Denton, is chairman of the District 5 judging committee.

Ben Barnes, De Leon, Asks For Re-Election As State Representative

School News

By S. H. FLETCHER, Superintendent

Attention is called to the fact that January 9th, 22nd, and 23rd have now been lost from the regular Comanche Public School schedule because of bad weather. These three days will be added on the end of the school calendar, making the last day of regular school Wednesday, May 23 instead of Friday, May 18. This will call for Senior Baccalaureate services on May 20 and Graduation exercises on Thursday night, May 24. Other loss of days will involve a change of the above schedule.

The other holidays set in the spring will be observed as originally planned. They are Friday, March 9, District T.S.T.A. Day, and Friday, April 20, and Monday, April 23, Easter Holidays.

Inconvenience is imposed on many individuals when weather conditions change early in the morning. This has been the case twice recently. Every effort will be made to carry out the school plan in the future regarding hurried dismissal of school. This involves an announcement by 6:30 in the morning on KBWD Radio Station in Brownwood.

State Representative Ben Barnes of De Leon today announced his candidacy for reelection to a second term in the Texas Legislature.

Reared on a farm near Comyn in Comanche County, Barnes was first elected in 1960, winning a two-to-one majority throughout the three-county legislative district. As a result of redistricting, Representative Barnes' district now includes four counties—Comanche, Brown, Runnels, and Coleman.

After graduation as an honor student from De Leon High School, Barnes attended Tarleton State College at Stephenville, TCU at Fort Worth, and the University of Texas at Austin. He was a business administration major at the University of Texas and dean's list at that school. He also attended the University of Texas Law School.

Representative Barnes worked for the State Department of Health for two years prior to his election to the Legislature. Barnes is married to the former Martha Morgan of De Leon. They have a son Greg, 3, and a daughter, Amy, born January 31 of this year. They are members of the Methodist Church.

During his first term in the House, Representative Barnes received the plaudits of both colleagues and constituents for his fairness, energy, and outstanding work. Several fellow members called him the "outstanding freshman member" of the House, and six legislators made a special trip to Brownwood at the session's end to pay tribute to Rep. Barnes at an appreciation dinner attended by more than 200 citizens of the district.

Rep. Barnes' pledge in this campaign will be the same as in his first race—to know the views and feelings of his constituents and reflect their sentiments to the greatest possible degree in the State Legislature.

Barnes' office has been—and will continue to be—open at all times for suggestions or questions from any citizen of this district.

Rep. Barnes' record during his first session reflects his belief that state government should and can meet the needs of its citizens without waste and financial irresponsibility. He supported such spending measures as increased pay for teachers, improved farm-to-market roads, and care for the aged, but he authored a substitute appropriations bill to save the state \$26 million a year by (Continued On Last Page)

Temporary Restraining Order Denied In De Leon Parking Meter Suit

A hearing of a temporary restraining order to keep the City officials of De Leon from collecting fee on the parking meters in that city was heard in District Court here Wednesday before District Judge Truman Roberts.

The restraining order was denied by the Judge who set Tuesday March 6 for a hearing of the case in court here on its merits.

The attorney for the parties asking for the restraining order gave notice of appeal to the Court of Civil Appeals at Eastland.

Training Meeting Set Here For Monday

By CAROLYN OWENS, County HD Agent

Mrs. Bonnie Cox, Organization Specialist from College Station, will give a Committee training meeting on Monday, February 12, at 9:30 a.m. in the Comanche Library, 911 Home Demonstration Committee members and club committee members are urged to attend.

Following the committee training meeting the Home Demonstration Council will meet in a regular session at 2 p.m. in the REA Building with Mrs. Roy Henson, president, presiding.

CITY ELECTION IS SET FOR APRIL 2

A City election will be called Monday night at a meeting of the Comanche City Council. Date of the election will be Tuesday, April 3, in which three Council members will be selected.

Members of the Council whose terms are expiring are John M. Hathecock, Jack Flippo, and C. A. Proffitt.

Donald Spivey To Seek Justice Of Peace Post

Donald Ray Spivey, 514 North Page St., Comanche, has filed as a candidate in the Democratic primaries for the office of Justice of Peace, Precinct No. 1.

Spivey, 27-year-old veteran of the Army, is local circulation manager for the Fort Worth Star-Telegram and the Dallas Morning News. He formerly worked as a radio announcer. Spivey is married to the former Janette Smith, Abilene. They are the parents of three sons: David 3, Richard 2, and Neil 7 months.

Spivey, son of Mrs. Ada Spivey, Comanche, and Roy Spivey, Fort Worth, is a graduate of Comanche High School and attended Ranger Junior College.

Spivey is active in Jaycee and other civic work in Comanche. Discussing his candidacy, Spivey said he would wage an active campaign and make an effort to meet every person in the area served by Justice of Peace Precinct No. 1.

"I have no selfish reason to seek this office, other than as a means to serve the citizenship, and as a means of livelihood. I am aware that in addition to the duties of Justice of Peace, the office now serves as Comanche City Judge on an appointive basis, and if I am nominated in the primaries, I shall seek to merit the City post too.

Concluding Spivey said, "I will be glad that the voters investigate my reputation and qualifications to serve as Justice of Peace, Precinct No. 1, and seek your vote on that basis."

Only one county-wide race and three precinct races developed in Comanche County as the deadline for filing as a candidate for the Democratic primary passed Monday, February 5.

The contested county race is for the post of County Attorney. Frederick G. Harmon, De Leon attorney, and C. C. Hampton, Comanche attorney, have filed. James A. Whitworth, Donald Ray Spivey and O. A. Brazier are seeking the Justice of Peace, Precinct No. 1, now held by Brazier. All three men reside in Comanche.

In the other precinct race, three De Leon men, Ernest Dayenport, H. C. Whetsel, and Howard Hoot Baker, are vying for Justice of Peace, Precinct No. 5 position. Baker is seeking re-election.

Sam Phifer, Comanche, seeks re-election as Commissioner, Precinct No. 2. His opponent is Eddie McDougal, Gustine.

State Senator's Race

Attracting much early attention in the area is the race for State Senator, 13th District. Ben Sudderth, local attorney, is one of four candidates seeking the place—currently held by Crawford C. Martin, Hillsboro, who is seeking promotion and is in the race for lieutenant governor.

Other men in the State Senate race are: Warwick H. Jenkins, attorney, Ellis County; Carroll C. Curry, chemical company operator, of Iasca; and J. P. Word, attorney, Bosque County. The 12th Senatorial District comprises a 10-county area.

Ben Barnes, State Representative from De Leon, is a candidate for State Representative, 64th District. Barnes is serving his first term as representative from the 63rd District, now composed of Comanche, Brown and Mills counties.

The new district is the result of state-wide redistricting, and is composed of Comanche, Brown, Coleman and Runnels counties.

Bill Moore, of Ballinger, who is a current member of the Legislature, is also seeking the post.

Unopposed State

Truman Roberts, Hamilton, is unopposed for the unexpired term as District Judge, 52nd District, composed of Comanche, Hamilton, Bosque and Coryell counties. Byron McClellan, Gatesville, is the unopposed candidate for District Attorney, 52nd District, unexpired term.

Also unopposed are District Attorney, District Clerk, Elzo Brinson, County School Superintendent; Mrs. Azalea Ellis, County Treasurer; Fred Hall, County Clerk; Charlie Clinton, Commissioner, Precinct No. 4.

D. F. Caraway, Comanche, is unopposed for the Democratic nomination as County Judge.

Ide Lane is unopposed for the chairmanship of the Democratic Executive Committee. Lane was also appointed Saturday by the Executive Committee, as acting chairman, to fill the vacancy created by the resignation of Caraway. Candidates for precinct chairman filed in all 28 voting precincts in the county.

State Candidates

These candidates filed or applied, in some cases by mail, for places on Texas' May 5 primary election ballots:

Democrats

For Governor: John Connally, Marshall County; Will Wilson, Edwin A. Walker, Price Daniel, Don Yarborough.

For Lieutenant Governor: Robert Baker, Preston Smith, Gene Smith, Jarrard Seest, James Turman, Crawford Martin.

For Congressman-at-Large: Warren G. Moore, Manley Head, Goodrow Wilson, Bean, Russell T. van Kerven, Joe Pool.

For Attorney General: Tom Heavley, Waggoner Carr, T. T. McDonald, Tom James, Les Procter.

For Railroad Commissioners: eliminating waste and non-essential services.

RASH OF FIRES HARASS OFFICIALS

A rash of fires, city and rural, during the 31-day month of January and the first seven days in February, has provoked Comanche Volunteer Fire Department officials, City and County officials, and farm and ranch people, to issue an appeal that every precaution be taken to avoid future fires.

During the first 48 days in this year—January 1 through Wednesday, Feb. 7—the Comanche Volunteer Fire Department had answered 90 calls. Fifty-four of these calls have been in the city limits, while the other 36 calls were to the farm and ranch area over a wide sector of Comanche County. Most of these calls, city and rural, have been to combat grass fires.

During the month of January, the Comanche Volunteer Fire Department covered a total of 189 miles in answer to 18 rural calls. To impress the seriousness of the continuing outbreak of rural fires, during the first seven days of February a total of 18 calls had already been answered, and the mileage covered totals 243.

Buckler Home Lost
Only one residence has been destroyed by fire during the period, totaling nearly 2,000 acres

Since January 1, that was the C. G. Buckler farm home, 3 miles east of Comanche in the Indian Creek community. The Buckler home burned shortly after noon Tuesday, Feb. 6. Neighbors managed to remove some of the household goods from the Buckler home, while CVFD members held the flames in check. Three tank trucks were dispatched to the Buckler fire by the Comanche Volunteer Fire Department, but a lack of water and the headway of the blaze, resulted in a total loss of the home, known as the old Kearney place. Fortunate in Some Respects

In filing their report, Fire Chief Curtis R. McKinzie and Assistant Fire Chief and Driver John T. Carpenter, point out that even though the number of calls has been heavy, limited damage to buildings has resulted. During January, fire damaged one automobile, one garage, and one residence. During February, the Buckler home has been the only resultant dwelling or utility building damage to date.

Fortunately, grass fires in the city, have been discovered and extinguished before a great deal of damage has resulted.

Damage Heavy to Grasslands
Economic loss has been heavy in the rural sectors. Grazing

has been seared by fire within the past two weeks. Last Friday, Feb. 2, some 200 acres of lush grass was burned on the Eiland Fagan ranch in the Democrat community. Then on Tuesday, February 6, J. V. Carter lost 400 acres of pasture grass in the White Point community. In addition, adjoining places to these also had damage in lesser acres.

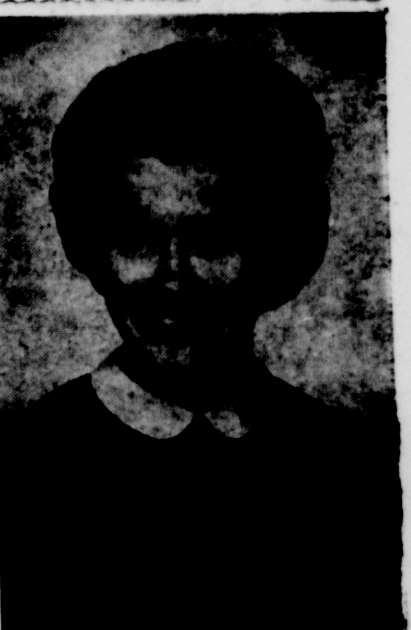

Livestock Ass'n Makes Plea

John M. Robertson, president of the Comanche County Livestock Association, issues a plea that rural residents use every precaution to prevent fire. "All of us know the value of good grasslands, and a fire certainly lessens the economic income from our farm and ranch productivity," Robertson said grasslands already burned over mirror a loss into the thousands of dollars.

Mayor Makes Appeal

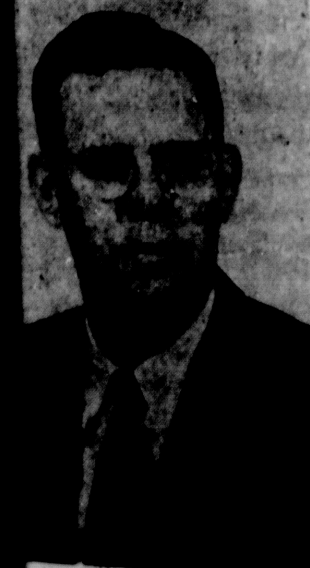

Comanche Mayor John Hall, in discussing the outbreak of fires during the past 48 days, presents a serious situation. "Unless we cooperate in using good judgment to prevent fire, the danger prevails that we may not only suffer economic loss, but possibly loss of life," Hall pointed out that grass fires especially at night, not only endanger property, but people, especially the

Fletcher Gets New Three Year Contract By Board

The contract of S. H. Fletcher, efficient head of the Comanche Public Schools for the past four years, was extended for three years, at a meeting of the Comanche School Board Monday Night.

Superintendent Fletcher has his Bachelor of Arts Degree from Stephen F. Austin Teachers College and his Master's Degree in Education from Southern Methodist University.

Mr. and Mrs. Fletcher and their two children, Hugh, who is a high school freshman, and Sarah, 8, reside at 305 West Armstrong, Comanche.

Plans Set For Heart Fund Drive

"February is National Heart Month," Mrs. Euell Arthur, Comanche County Heart Fund Drive Chairman, announces, adding that plans are getting underway for the Nation's Number 1 killer—heart disease.

The drive for funds will be held in the Comanche business district on or about February 23.

The drive in the Comanche schools is set for February 14. Heart Sunday is February 25.

Dr. Ernst, of Dallas, will be the special guest at the next Lion's Club meeting, Tuesday night, and will be discussing the need for a successful drive to help combat Heart Disease.

Gustine Citizens Plan Spring Festivities

A community gathering of approximately 80 people last Thursday evening, Feb. 2 at Gustine, laid the foundation plans for an even "bigger and better" second Gustine FFA Junior Rodeo, Parade and Homecoming reports Eddie McDougal, active civic leader in the Gustine area.

A tentative date of May 31,

June 1 and 2 has been set for the event. Directors for the year are Wayne Adams, Wilmer Westfall, Billie Patton, Cliff Pettit, Eddie McDougal and Weldon Kirby, vocational instructor.

Patton says, "A great deal of enthusiasm was shown concerning the two new construction projects. All voted 100% to pitch

in and construct a new outside fence—committee members are McDougal, Dink Carson, R. J. Adcock Jr., Herman Sparkman, Kenneth Evans, and Sandy Couch. The drilling of a well and installing a complete new water system is headed up by Thurman Boucher, Jack Allen, Hardy Harris, and Carson."

The fencing project is well

underway—and there is a job for you!"—report the committee-men.

Rules governing the eligibility of participants in the rodeo will be approximately the same as last year.

Roping calves will be furnished by those desiring to rope at fun nights and practice sessions.

CHANNARAJARS,
Visiting County Agent-India
Guest "Editor"

EDITOR'S NOTE: M. C. Channarajars, Comanche County's Visiting County Agent from India, continues his account of happenings, and his impressions of Comanche County and other points in Texas, this week.

We, of the Chief, are grateful for the many complimentary remarks extended to us, and to Mr. Ars (as he is known to most Comanche Countians) on the first installment, carried last week.

Mr. and Mrs. Ars and their daughter, Comanchi, who was born in Comanche, will be returning to India next month, where he will resume his duties as an Extension Agent.

"Pache's Arrival"

The people of Comanche were not satisfied by my staying alone. People showed their love and affection in many ways on many occasions and places. I did not have choice when they bought the ticket, I was aware of it. They took pride in working for it. A fleet of cars and 50 people from Comanche went to Dallas Love Field to receive her. They gave a royal welcome to Pache. It is not that I deserve it, but it is the nature of good people. Pache staying with me has helped to learn more things in the

family as well as in other activities. People of Comanche have learnt more about India and love and affection has become eternal between us. Does this have any good effect on my work? The answer is an emphatic "Yes". I could go deep into the matter with closer relationship. I was considered as one of the families in Comanche County. For this act of good people of Comanche, we feel grateful for the years to come. We will try our best to carry this true love and affection to thousands of people in India. Angus Dickson and Air India people had arranged a TV camera man, and Pache's arrival was on the program.

First Week of July

Twenty Comanche members of the 4-H Clubs attended District 8 camp at Brownwood for a period of 3 days. The adult leaders who attended were J. A. Cox and Gilbert Davis. Walter McCullough and Bobby Lane gave a horticulture demonstration. They placed first and received a trophy. Each one of the 4-Hers did enjoy participating in the camp. There were several guests from Comanche on the first night. There were about 230 boys and county agents from the District 8.

Second Week of July

Comanche due to its friendly people attracts many visitors. Three agricultural officials from India who were studying in Cornell University visited Comanche to meet the rural people and to know the agricultural practices. Mr. Knight one of them talked at Proctor Community Club meeting. Very high of the generous hospitality of the people. They were the guests of J. B. Cunningham and Bill Lane, Bill Evans, and Bill Parks manager of the REA furnished the transportation to Dallas for them to catch a plane to Washington. They enjoyed visiting W. H. Smith fruit orchard at De Leon.

Third Week of July

Comanche Jr. Rodeo was conducted at Comanche. The 4-Hers participated in the parade by having a 4-H float. The 4-H members sold the programs at the rodeo and made about \$75. This event of rodeo gave an opportunity for these youngsters to participate which teaches a sense of healthy competitive spirit. There were several thousands of spectators. The adult leader association ran a refreshment stand. The Central West Texas Milk Producers Association arranged a dairy tour in Comanche visiting five successful dairy in the county. There were 100 people who participated in the tour. Purina Feed Company presented a trophy to Miss Anne Williams

for the best calf feeding.

Fourth Week of July

During this week most of the peanut growers started planting. Some of the Star peanut demonstrations were also planted. There were three different counts of Star variety: (1) 1000 counts, (2) 1200 counts, (3) 1500 counts. Sixteen demonstrations to be laid in the county. Mr. Langley from College Station visited Hezzie Dean's Star peanut demonstration plot. The 4-H Council had arranged a Rally Day at Lake Eanes, mainly for the recreation. Some of the 4-Hers learnt craft. They formed a Junior Leaders Association.

First Week of August

V. G. Young, State Agent, arranged a week study tour of the Beaumont rice area. What amazed me was the farming operations and the irrigation facilities. The average size of the farm is 600 acres. The rotation of rice crop with grass for 2 to 3 years is a common practice. The average yield per acre of rice is 18 barrels. There is a new chemical Stann F 34 being used to control the grass weed. The marketing facilities is available through the American Rice Growers Association. The trouble-free gifted cartoon takes me to several place in this big State of Texas and brings me back.

Second Week of August

At De Leon they had a Peach and Melon Festival for three days where they had exhibited fruits and vegetables and crops. They were judged and awarded ribbons for the winners. Proctor, Stag Creek, Amity, communities had their booth for competition. There were several thousand of peoples visiting this festival. There was a carnival too. The 4-H boys and girls attended junior dairy field day at the Great Southern Ranch. They learnt to select, to feed, to get ready, and to show the animals in the livestock show. This has been a valuable training for these youngsters.

Third Week of August

Texas Agricultural Extension Service and the United Gas Company arranged the Texas 4-H Junior Leadership Training Laboratory at Lake Brownwood in citizenship. There were 36 boys and 36 girls who had a top record in citizenship at district level. The objectives of this laboratory was to give a clearer understanding of human relationship and to have a deep appreciation for the inner qualities. Citizenship, leadership, and 100% participation was emphasized during these days. Dr. Nelson

made it clear why we need to live in democracy which gives freedom to dream, plan, venture, and individual talents are encouraged. This was one of the best camps I ever attended.

Fourth Week of August

I had an opportunity to go with Mr. Burwell, District Agent, for the bimonthly conference at the College Station. In addition to the planning of the various training camps during the year, program building basic data was analyzed, objectives were set up and recommendations were made. This gave a clearer understanding of program building. The District Agents will arrange a three day training for all the County Agents. Director John E. Hutchison said at present he firmly believes that program building is the only way to involve the people to make it a peoples program. Specialists will help the sub-committees of the main program building committee. Angus Dickson, Jr. arranged a transoceanic telephone call. Dr. Mims and Rebecca Kurian talked about Pache's early medical history.

First Week of September

Sears Roebuck sponsored Sears Swine Show at Soda Springs. Nine 4-H members participated in it. Clyde Wall and W. W. Sadberry were the judges. Paul Ripley was placed first and Margie Vineyard was second. Wayne Power developed a boar and he will be participating with Paul Ripley in Area Sears Show at Brownwood. On the same day Soda Springs Community Club had a homecoming day. The peanut planting was continued during this week. Due to heavy rains it was delayed. Starr variety demonstrations were observed for comparison.

Second Week of September

Ben Spears, Agronomist, visited Comanche County to inspect the Starr peanut demonstrations. I took him round Hezzie Dean, John Beatty and E. A. Walker plots. He was fairly satisfied by the demonstrations. 4-Hers participated at Jersey Heifer Show at Abilene and received many ribbons. H. C. Blackshear and C. B. Williams, Jr. took these boys and girls for the show. T. J. Matthews from India wanted to correspond with some of the American farmers. J. B. Cunningham, W. H. Smith, John Beatty, Bill Parker volunteered to correspond with the farmer of India. This showed how Comanche people are interested to learn more and more.

Third Week of September

A long awaited expectation of

a child was fulfilled on September 18th at 1:52 a.m. Through the many blessings of many good people of Comanche, Texas Miss Comanche was born at Blackwood Hospital. Dr. Mims took personal care and interest in this case. Ruby Dickson, Betty Cunningham, Jerry Houck, Ann Bowlers, Carolyn Owens and many others helped Pache in many ways. Pache stayed at Ruby Dickson's place for a few days. We are really proud of this royal treatment and generous hospitality. We owe a great lot for the love and affection from young and old. Miss Comanche is loved by one and all.

Fourth Week of September

County Agent Angus Dickson, Jr. arranged a peanut tour with the cooperation of the Upper Leon Soil Conservation and the Chamber of Commerce of De Leon. The stops were made at E. A. Walker, John Beatty, and Dale Sadberry's farms for observing the Starr peanut demonstrations and at Richmond's farm to see Coastal Bermuda grass. Mr. Langley from Stephenville Research Station at several stops explained the various aspects of Starr variety, and the object of conducting these test demonstrations.

Several visits were made to the demonstration plots to observe the growth of the comparative variety. There were about 50 people at the tour. Mr. and Mrs. Dale Sadberry served refreshments at their residence.

First Week of October

I attended agents meeting at Clifton. Terry Sparkman, Jackie Hicks and Wayne Power showed their pigs. Terry was placed 2nd. Several Vocational Agriculture teachers and adult leaders attended the Heart of Texas Fair in Waco. At the State Fair at Dallas the first day is devoted to the youth of Texas—4-H members, Agricultural students and Homemaking students. At this fair there were many crop and livestock exhibits which were useful to the youngsters. There were international stalls also. I wish all the youth of Comanche could make use of this valuable opportunity. The first results of the

Starr peanut demonstration at Hezzie Dean's plot are overwhelmingly favorable. He was the first to harvest the Starr variety.

Second Week of October

KRBC-TV Station, Abilene, requested me and Angus Dickson to be on the farm program. I was interviewed by Harry Holt, John Simpson and Whit Jarratt had arranged a range tour to the interested rangers to show the range management practices and different varieties of grasses.

Third Week of October

Proctor Community Harvest Tour was arranged by Bill Evans, club vice-president. The tour included the Starr peanut demonstration, Coastal Bermuda grass plot, pecan shaking, Dublin SCS points visited were Irvin Dunn, Thurman Boucher, Bill Evans, and T. A. McDonald. Among the many visitors County Judge Dwight Brightman was present. Pecan shaking was one of the highlights of the tour. About 40 people participated in the tour. Bill Parks and Bill Parker, REA, were the official photographers. The women of the Proctor Community Club served delicious refreshments at the end of the tour.

Fourth Week of October

Henry Ross, Professor Vocational Agriculture, and Hal Stephenson now working in Tunisia as a U. S. Agency for International Development. He is assisting Tunisian Government in Agriculture Extension Service. The main object of his visit to Comanche was to observe the Visiting County Agent's program and the Rural Community Program. During our discussion, Hal Stephenson expressed that the Tunisian Government is corresponding with the State of Texas to send some participants from Tunisia under the similar program of Visiting County Agent. He was fully convinced such a program will be useful to Tunisia. Both of them congratulated Angus Dickson for the wonderful work he has done and tremendous hospitality. Comanche now is known all over the world for the better un-

derstanding of mankind from the point of view of international affairs. They talked to Burton Cunningham about the Visiting County Agent's program.

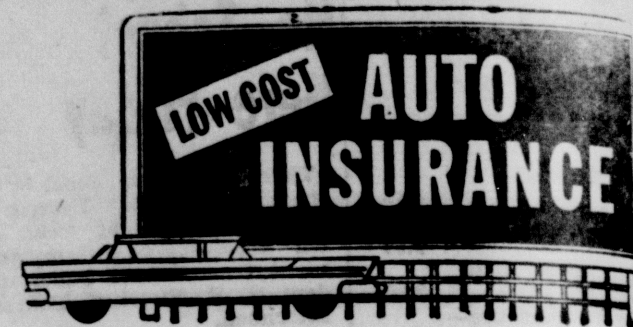

First Week of November

Wheat is the main crop in India area I was working in. Hence I was keen to observe all the operations of wheat farming. What fascinated to me was the

great interest shown by the County Agent Douglas Smith and Mrs. J. R. Stump to me to their home. On the way to Perryton, I stopped at the house of J. R. Stump, one of the farmers Kreshaw took on a plane to have an aerial view of the county and the crops.

Mrs. Charles Tabor Has Open House At Home

Mrs. Charles Tabor held open house at her new home Friday morning, January 26. Fifty-five guests called from 9 until 11 o'clock. They were shown through the home by Mrs. Tabor and Mrs. James T. Pate, Jr., wife of the building contractor for the house.

Mrs. Elton McCullough presided at the refreshment table and served coffee and cookies to the guests. An arrangement of pink gladioli entered the table which was covered with a nutmeg linen cloth. Mrs. Mattie Woolsey assisted Mrs. McCullough with the serving.

The Tabor home, which was completed in January, is located at 603 Tanglewood in the Wright Addition in northwest Comanche.

The house is Swiss Chalet architecture with Early American furnishings. To the right of the entrance hall, one steps down into the sunken living room of paneled walnut walls, cathedral ceiling with exposed walnut rafters and a wood burning fireplace. The combination kitchen and dining area features Early American cabinets with copper built-in appliances. There are three attractive bedrooms and two tiled baths. The walls are all beige and the floors are covered with wall to wall carpeting.

Mr. Tabor, an admitted electronics enthusiast, explains that the carpeting and acoustical ceiling gives the proper balance necessary for the combination AM-FM radio and high-fidelity stereo music which he had piped throughout the house. An intercommunication system connects all rooms, including a front door answering service. Mr. Tabor has an amateur radio station in one of the bedrooms.

The house is year around serviced with Ark-La-Serve gas air conditioning. The Tabor's explain that only one gas flame is in the entire house, and that is the pilot in the hotwater heater. The heat is in a closet which is asbestos lined for further fire prevention.

The exterior of the house is a mixture of western red cedar with hand hewed battens and cedar shake shingles. The trim on the doors and windows is a pale pink.

The Tabor's moved to Comanche last March and lived at 606 Elm while their home was under construction. Mrs. Tabor is a native and vivacious. She admits that her favorite pastime is sewing, with yardwork a close second. She sews and has made very attractive quilted covers for her beds. Also, she plays a hand of bridge. She and Mr. Tabor are active members of the Comanche Class of the First Methodist Church.

Mr. Tabor is owner and manager of the Television Cable Service of Comanche. For the past two years, he owned the Rockin' Ranch at Hillsboro, breeding registered polled hereford cattle. He had amateur radios as a hobby when he was 14 and has been licensed by the FCC over 30 years.

Tabor has been very active in wild life conservation and was one of the organizers of Sportsmen of Texas (SCOT), serving as an officer and director for 3 years.

Visitors Over the Week-End
Visiting in the Artie Layman home over the past week-end were four of their children: T. L. Layman and family and Jerry Layman, all of Lake Charles, La.; Mr. and Mrs. Loyd Layman of Andrews, and Mr. and Mrs. Charles Pennell of Lamesa.

Visit the Spencers
Visitors in the home of Mr. and Mrs. Tom Spencer recently were Mr. and Mrs. Bob Middleton of Big Spring and Mr. and Mrs. Neil Spencer and son, Skipper, of Luther, Texas.

Back From Azle
Mrs. Ben Jones has returned to her home here after a visit in Azle with relatives.

Mr. & Mrs. Hall Observe Golden Wedding Anniversary

Mr. and Mrs. H. R. Hall celebrated their 50th wedding anniversary and were honored by their children with open house at the family home in Gustine on Sunday, Jan. 28.

Mr. Hall, a native of Comanche County, was born and reared in the Board Church community, about 8 miles east of Comanche. Mrs. Hall, the former Etta Clark, came with her parents, when a very small child from Alabama and settled in Comanche.

Mr. and Mrs. Hall were married January 30, 1912, and for approximately thirty years lived in the Board Church community, where all their children were born. Some twenty years ago they moved from the place that had been home for so long, to the Baggett Creek community. After a few years they bought a farm near Pettit, where they lived until about a year ago when they decided it was time for them to retire. They sold their farm and bought a home in the Gustine community and settled down to peaceful retirement.

All the Hall children, who are Louise Bustle and husband of Fort Worth, Juanita Moore and husband of Gustine, Ruth Little and husband of Garland, Victor and wife of Fort Worth, Robert Lee and wife and Jack and wife of Dallas were present for this special occasion. Also, all of their ten grandchildren, except one, Freddie Gene Hall, who is in the Marines and stationed at Camp Pendleton, California, were present. Their one great-granddaughter was not present.

The table was decorated with gold taffeta cloth with a gold nylon net overskirt and a three tiered cake decorated in gold and white with gold candles. During the afternoon 125 friends and relatives called in the afternoon and were served punch and cake by the Halls' five granddaughters.

Lions Club News

R. H. Nowlin, County School Counselor made an interesting talk to the local Lions Club at their last regular meeting.

The program was sponsored by De Leon Lions Club as part of their inter-club visitation program which has been in progress the past three months. Visitors from De Leon included, Lion Texie Allison, Club President, Doyce Short, secretary, Lex Shelby, Hilman Smith, Jr., H. B. Clendenen, Tom Brightman son of Mr. and Mrs. Owell Brightman, and president of the CHS National Honor Society gave the student requirements that would have to be met in obtaining membership in the Society.

The Club greatly appreciated this program and enjoyed having the De Leon Club representation at this time.

46 Lions and visitors enjoyed a delicious steak supper preceding the program. Two new members were welcomed into the club, C. L. Huett, local druggist and L. E. Carthen, new Cafeteria owner.

The next regular meeting will be on February 13 with the Community Betterment Committee in charge. Lion John Croft is program chairman, with Lions Ira Clemons, W. M. Durham, Jr., O. D. Johnson and Tom Dudley, assisting. A Heart Program has been arranged with Mrs. Euell Arthur in charge.

Dr. and Mrs. Lannes Hope and children of Bryan spent the week end in Comanche with her parents, Mr. and Mrs. N. N. Durham.

Mr. and Mrs. Lowell Wilson of San Angelo visited Mr. and Mrs. Sam Hatchett here this week.

SCHOOL NEWS...

The Comanche Independent School Board met in regular session Monday February 5, at the Comanche Homemaking Cottage. The following action was taken: The board approved the bid and sold the South Barrick Building on the J. B. Layne campus to R. W. Reed, Comanche Route 1 for \$710.05.

The board sold the John Davis house on Highland to Tom McDonald for \$611.80. House to be moved.

Voted to observe Texas Public School Week, March 5-9 with special emphasis being placed on an Open House to be held Tuesday night March 6 from 7-9 in all buildings.

The School Trustee Election was called for the first Saturday in April, with Joe Waring as Election Judge. Board members C. D. Swearingin and C. E. Robertson terms expire.

The Comanche Garden Club was given a 90 x 150 lot in the Southwest corner of old City Park, which is now school property. The Garden Club will place a veteran building on the lot and will continue to improve and develop it. The building programs was discussed and the detail specifications from the architect will be presented to the school board on Feb. 15. Present plans call for the contract to be let on March 5.

After studying the pay plan on the building program, the board voted to invest \$170,000 of the school bond money in U.S. Treasury Bills for 90 days and further invest \$40,000 in U.S. Treasury Bills for 60 days. The above amounts and times were chosen because of the pay plan the program will require.

This investment will earn several hundred dollars for the school building fund before the need for the money arises.

Superintendent S. H. Fletcher was given a new three year contract through June 30, 1965.

Hamilton Wins Close Games

The Hamilton Bulldogs took two hard fought District 8-AA games from Comanche at Hamilton Tuesday night, defeating the CHS boys 39 to 38, and the Indian Maidens, 41 to 34.

With two of Comanche's top starters at home on account of illness, the boys' game was a thriller from the beginning to the end with neither team ever gaining a lead of more than 4 points.

Todd was high for the Indians with 14 points, Perkins made 10, Durham 6, Brightman 4, Shumpes 2, and Jarratt 2.

The Maidens got off to a slow start and were behind at the end of the first period 5 to 14, but trailed only 14 to 16 at the half and were all tied at the end of the third period at 31-all.

SuAnn Henson, Maiden forward, fouled out in the final period with five minutes to go, and 3 points behind. Scoring for Comanche were: Henson 23, Dorthea Byrd 6, and Pat Johnston 5.

CARD OF THANKS

We wish to thank our friends and neighbors for the many acts of kindness extended during the illness and at the time of death of Sarah Ella Clark. Your kind thoughtfulness will always be appreciated and remembered. We especially want to thank Mr. and Mrs. Gaither at the Oak Lawn Funeral Home, the singers, and the preachers.—The Reid Children. County-Wide Meeting

Dudley said, "A special county wide meeting on the Screwworm Program will be held in the County Courtroom Thursday, February 9th at 7:30 p.m. and all Comanche County Screwworm Committees and livestock producers are urged to make a special effort to attend. We are so close now to success that any slow down could set us back indefinitely and lose for us the advantage gained from the hard work."

Dudley reports he has been advised by the Foundation's Board of Trustees that the long-sought goal of a screwworm-free South would be a possibility for 1962 if full advantage is taken of the hard-fought three weeks of which the flesh-eating parasite a very crippling

Comanche Co-Chairman J. H. Burton added that if the \$3 million voluntary contribution goal of the drive is reached within the next two or three weeks, they expect estimated savings of the next two years of the million from screwworm damage and treatment costs and a reduction of up to 50 percent in the cost of the eradication program.

"These savings alone," he said, "make a stepped-up effort most worthwhile, but more important wouldn't it be a wonderful feeling to know that with the return of warm weather we wouldn't be fighting time and money fighting the age-old battle against our costly stock and wildlife

Leon Co-Chairman C. M. May Sr. said the Foundation is moving forward with plans to get the male-sterile release program underway in the next few days. They also notified all county men of a statewide kickoff for February 14. The day will be held in Austin representatives from every county will be urged to attend. It will be announced later if it is hoped the fund drive will be over the top by the date

New low-cost luxury in two just-out Chevy II Nova sedans

• Luxury and low cost have never been more beautifully blended than in these two newest additions to the Chevy II line! Like their running mates—the Nova 400 Sport Coupe, Convertible and Station Wagon—they have the same more-for-your-money features that have made Chevy II the winner of *Car Life* magazine's Engineering Excellence Award for 1962. Soft-riding new Monoplate rear springs, proved in the equivalent of 2,000,000-plus test miles. Thrifty 6-cylinder engine that gets more "git" out of a gallon of regular. Body by Fisher roominess that fits big families and small parking places. An easy loading vacation-sized trunk. New ideas that save on upkeep. Plus trim, tasteful styling, inside and out. See the smart, sassy, saving Chevy II Novas—and the other sensibly sized, sensibly priced Chevy II models—at your Chevrolet dealer's.

Nancy Cottrell and Karen Patillo Are Foremost In Winning Awards

Nancy Cottrell, Mrs. Vera Newton, and Karen Patillo

Nancy Cottrell, a junior in Comanche High School, has been selected as the Girl of December by the FHA. Nancy is the daughter of Mr. and Mrs. C. B. Cottrell. She has two brothers who have graduated from Comanche High School and a sister who is presently a senior.

Nancy, during her sophomore year, sang in the choir at the Area IV meeting in Stephenville. In her junior year, she served as song leader for the FHA and as parliamentarian for the Library Club. She has earned both Junior and Chapter Homemaker's Degrees and is considering working for her State Homemaker's Degree. Nancy says, "I think homemaking is enjoyable, but I prefer cooking to sewing." Her favorite type of literature is fiction. Her hobbies are singing, playing the piano and accordion.

"My ambition," Nancy says, "is to be a good secretary and then the best homemaker I can be."

The 1962 winner in Comanche Search for the American Homemaker of Tomorrow is Karen Patillo. She achieved the highest score in the examination on homemaking knowledge and attitudes taken by the graduating senior girls on December 5, 1961. This test is a fifty minute timed test which all graduating senior girls in the state took. Karen will now be eligible, along with these other winners, to compete in the State Contest. The girl winning the State Contest is providing a \$1500 scholarship by General Mills. In addition, she will join the other state winners for an expense-paid tour of New York City, Washington, D. C., and colonial Williamsburg, Virginia.

At the latter, the 1962 All-American Homemaker of Tomorrow will be chosen. This winner's scholarship will be raised to \$5000.

Karen will be presented with an honor pin engraved with "Home is where the Heart Is." This test is part of the program of General Mills of Homemaker. It is also to help emphasize the outstanding contributions to home being made by the high school teachers throughout America.

The 1962 Betty Crocker Search has reached another all-time high. The program now is in its eighth year. It is estimated that more than two and a half mil-

Mrs. N. L. Clark Taken By Death

Mrs. Sarah Ella (N. L.) Clark, 90, long time resident of Comanche, passed away Thursday, Feb. 1, in a Rosenberg hospital.

Funeral services for Mrs. Clark were held at 3 p.m. Saturday. Burial was in the Sardin Cemetery, near Hasse.

—From C.H.S. WARRIOR

Feb. 3, at the Oak Lawn Funeral Home Chapel in Comanche, with Minister Tilden McFerrin of the Comanche Church of Christ, officiating, assisted by Lewis Rambo.

Burial was in the Sardin Cemetery, near Hasse.

Palbearers were Floyd King, Burgess Elliott, Lonnie Craig, Lon Westfall, Eddie Williamson, and R. C. Koonce.

Mrs. Clark, daughter of the late William Henry Garlin and Amanda Curry Garlin, was born March 12, 1871 in Rockport.

She obeyed the Gospel early in life.

She was married in 1891 to the late R. D. Reid. Seven children were born to the couple. Mr. Reid passed away Nov. 1, 1926. Three of their children are also deceased.

She was later married to Rev. N. L. Clark. He preceded her in death in 1937.

She is survived by two daughters, Mrs. J. E. Daniels and Mrs. W. L. Bolin, both of Rosenberg, and two sons, Duke and Doyle Reid of Comanche; 10 grandchildren and 10 great-grandchildren; also three step-daughters, Mrs. Less Dillard, Mrs. Ola Mercer, Mrs. Lula Elms, and Oran Clark.

3 Local Boys Enter Rodeo At San Antonio

Three Comanche County youths, Claude Dudley of Mercer Gap, Bobby Lane and Don Kemnitz, both of Newburg, are contenders in the Calf Scramble at the San Antonio Livestock Exposition during the Sunday matinee rodeo performance, February 11th.

The three youth, along with

17 other 4-Hers from over the state, all armed with the ten rope halter will tackle the Texas calves in the wild scramble. The first ten boys to come away with purchase tickets (one for each calf) will receive a wonderful lot of experience. On Monday and Tuesday following the Calf Scramble, the Dudley boys, Claude, Joe, Ray, and Tom R., will compete in the Junior and Open Heifers.

 with that short time I did not have been able to see the area. Packer seed drill's operation was observed and I think this can be useful in our conditions.

Second Week of November
 During my stay in Ochiltree I wanted to learn about the people so I was attending several meetings and on the T. V. class program. I made the maximum programs at Perryton. I talked to the 4-H members at 4-H Achievement Banquet explaining the need for better understanding of people and to be the responsible good democratic citizen. There is a need for these youngsters to express their appreciation to their parents, for the help and guidance during their club work. On the way back we saw the irrigated area. The school principal Norris had arranged a meeting with the high school students at Comanche High School.

Third Week of November
 The Comanche County 4-H Achievement Program was arranged to award annual pins and star medals. Dicky Dickson was named as Gold Star Boy, and Sue Couch as Gold Star Girl, on the merit of the top records in the 4-H activities. Honorable Ben Barnes the State Representative of the day. The Adult Leader Association president was the chairman of the day. Ribbons and medals were awarded by various adult leaders. There was a large gathering of 200 people on the occasion. As a pleasant surprise Pache and I received Honorary Citizenship presented by Ben Barnes signed by the governor Texas. Honorable Omar Burleson sent a telegram congratulating of the 4-H members and us.

Fourth Week of November
 G. Burwell, District Agent, arranged a three days training to all the County Agents on the country program building at Stephenville. During the training Brown County data was used for the purpose of study, analyzing, determining the problems on priorities, and recommending the solutions on the available resources. A great emphasis is laid on the working with the rural people through the program building community. This way of working is to give an opportunity for the people to determine their needs and desires and to participate in the program. The agents responsibilities are to pool all the available basic information help analyzing the problems and to furnish the research results.

Fifth Week of November
 The Comanche County Pecan Growers Association was formed this year. It arranged pecan show at Gustine. There were more than 100 entries for the competition in various varieties of pecans. In addition to the show, they had speakers to speak on the pecan growing and taking care of.

Sixth Week of November
 Young arranged one week's stay at the College Station to meet the various specialists. I was the Director, Agronomist, Instruction Officer, the 4-H Club Leader, State Home Demonstration Agent, Agricultural Engineer, Rural Sociologist. During the session I gained a lot of use knowledge and clarify my doubts. I received a lot of questions. The specialists job is to collect all the available necessary materials from various sources and write in a common understandable language by the farmers. These specialists send these materials at the needed time.

SPRING CLOTHES TELL A TALL STORY...

Simplicity has just designed a Spring collection of clothes fit for a queen. And if you're five feet seven inches or over, you're exactly who we're talking about. Below are two patterns currently featured in the February Good Housekeeping.

Bold, scrolly prints have a wonderful way with height. Take the sleeveless dress and short-cut jacket right here (and while you're at it, the honeyed straw roller). The look's in the balance. Simplicity Printed Pattern 4293. Proportioned sizes 10 to 20.

Mrs. Hedrick Dies In Lubbock

(From THE TURKEY ENTERPRISE)

Mrs. Norma Mae (Todd) Hedrick, an active worker in civic and church affairs, died Wednesday, January 24, at 10:55 a.m. in the Methodist Memorial Hospital at Lubbock. She had been ill for only about three months.

Mrs. Hedrick was a former music teacher in the Turkey area, but her range of interests touched almost every phase of the community's life. In pursuing these interests, Norma Mae gave generously of her time for her work for the community without thought of personal gain except for the pleasure she received from the activities.

She was keenly interested in the work of her church and was a charter member of the First Baptist Church of Turkey.

There was another facet to her life, and that was her interest in her work in the local floral shop here. She thoroughly enjoyed turning out her creations for the many social functions in our community.

Mrs. Hedrick was born in Comanche, Texas, October 27, 1906, the daughter of Mr. and Mrs. Sam B. Todd. She grew to young womanhood in Comanche and attended school there, graduating from Comanche High School in 1925. After graduation she moved to this area with her parents in the late spring of 1925. She was married to Lawrence Hedrick April 4, 1928. Mr. Hedrick is the local manager of Higginbotham-Bartlett Lumber Company.

Funeral services for Mrs. Hedrick were held in the First Baptist Church at 2:30 p.m. Friday, January 26, with the pastor, Rev. Veril Smith, in charge, assisted by the Rev. John Williams, pastor of the First Methodist Church. Burial was in Dreamland Cemetery under the direction of Eudy-Seale Funeral Home.

Funeralbearers were Tom Salem, Earl Williams, Terry Doc Williams, Charles Hedrick, Larry Hedrick and Kenneth Miller. Survivors in addition to her husband include a daughter, Mrs.

Gloria Williams, of Amarillo; her parents, Mr. and Mrs. Sam B. Todd of Gustine; three sisters, Mrs. Willis Walker and Mrs. Paul Meacham, both of Turkey, and Grace Todd of Gustine; and one brother, Sam F. Todd of Hamilton.

SEAMAN IN HAWAII ON EMERGENCY LEAVE HERE

Seaman 2/C Tommy Boquet and George Boquet, who are stationed in Pearl Harbor, Hawaii, were called to Comanche last week to the serious illness of their grandfather, G. K. Burkett. They have now returned to their base in Hawaii.

Mr. Burkett has shown some improvement, but is still seriously ill.

CARD OF THANKS

We wish to thank the Fire Department, and all others, who helped put the fire out on our place. Thanks again—Mr. and Mrs. Lee Loudermilk. (1tp)

Dave Finkelstine Dies In Austin

Dave Finkelstine, 76, former Comanche resident, passed away Feb. 6 in Austin.

Final Rites were held in Austin Wednesday February 7 with Rev. G. H. Horton, Comanche Congregational Methodist minister in charge of the services. He was assisted by Dean Rhodes, minister of a Church of Christ in Austin.

Pall bearers and honorary pall bearers were from the Comanche IOOF Lodge with the exception of Euell Preston. Lodge members attending the services were A. B. Smith, D. O. Williams, M. L. Elbert, M. T. Shoemaker, Ray Parrish, J. W. Stark, Roy Nelson, James Huffman, Afton Davis, J. E. Lake, G. H. Horton and Glen Keating.

Mr. Finkelstine was born March 17, 1885 in Kansas City Mo., the youngest of nine children. On September 3, 1916 he was married to Edna Elvina Nolen who survives him.

In early life he lived in Robinson, Illinois, moving to De Leon, Texas in 1919 where for many years he operated a wholesale candy and salted peanut business, and later a cafe.

He moved to Comanche in 1933 where for a number of years before his retirement he operated a cafe. While living in Comanche he was active in the volunteer fire department and the Independent Order of Odd Fellows Lodge.

"At all times I have tried to

Austin where he resided at the home of his son, until the time of his death.

He is survived by his wife, two children, Kenneth Finkelstine, Austin and a daughter, Mrs. James Irby, also of Austin. He is also survived by two sisters, Mrs. Rae Baum of Topeka, Kansas, and Mrs. Anne Blasbals of Kansas City, Mo. Five grand children also survive.

Hostesses will be Mrs. Todd, Rebecca Hill and Ruby Steed.

Carroll Curry, Itasca, Seeks Election To State Senate, 12th District

Carroll C. Curry, 40, an Itasca citizen and businessman for the past 13 years, this week announced his candidacy for the office of State Senator from this (12) district, composed of Hill, Bosque, Comanche, Coryell, Ellis, Erath, Hamilton, Hood, Johnson and Somervell Counties.

Mr. Curry was born in Corsicana in 1921, he later moved to Hillsboro and was a graduate of Hillsboro High School.

Mrs. Curry is the former Sue Underwood of Itasca. They have been married 16 1/2 years and are the parents of two daughters, Becky, age 15 and Cynthia, age 13.

Presently, Mr. Curry is third vice-president of the Itasca Lions Club, past president of the Itasca Jaycees, a deacon and Sunday School teacher in the First Presbyterian Church of Itasca, past chairman of the Itasca Red Cross, past chairman of the Itasca Cancer Society and a member of the \$500 Industrial Club of Itasca.

For the past seven years, he has owned and operated a successful business in Itasca under the name of the Itasca Chemical Co. He is also sales representative for the Magnolia Co. of Dallas. He has only maintained warehouse space in Itasca for this business. It being the central location for the 15-county area in which he sales janitorial and industrial supplies.

In announcing his candidacy subject to the Democratic Primary election on May 5th, Mr. Curry made the following statement: "I intend to conduct an all-out hard-fought and honest campaign for this office. If elected I will carry into this office a conservative democratic viewpoint of our state and local government. "I will endeavor to represent all of the people of this senatorial district equally and without pressure from any group."

In closing his statement, Mr. Curry stated that it has been a lifelong desire with him to enter the political field and to be able to serve the people of Texas in some capacity.

He stated that the reading of the histories of this nation and state has consumed thousands of hours of his time in the past ten years. He added that he has studied much about our government and the political sciences from a home library.

Mr. Curry said that it was not until after many hours with God in prayer that he emerged with a clear decision to seek and to win this office.
